

the Luxembourg Institute for High Performance in Sports (LIHPS)

recruits, with an intended entry date in April 2026,

1 dual career counsellor (m/f/d)

(permanent contract – full time)

Main tasks:

- To accompany and advise athletes in the development and implementation of their life and career projects under the guidance of the Head of Dual Career.
- To ensure coordination between athletes, coaches and federations on all matters related to dual career pathways.
- To collaborate with the dual career counselors of the Sportlycée to support student-athletes in their transition following secondary education.
- To contribute to the development and implementation of initiatives promoting dual career in Luxembourg.
- To monitor developments in elite and competitive sport with regard to dual career challenges.
- To work as an integral member of a team of dedicated LIHPS experts in all relevant fields of high performance sports.
- To foster a climate of trust, collegiality and cooperation among all stakeholders involved.

Required qualifications:

- Master's degree in sport management, social sciences, psychology, career guidance or any other field relevant to athlete support.
- Deep understanding of the lifestyle, constraints and specific needs of high-performance athletes, and the ability to analyse individual needs and propose adapted solutions.
- Training or experience in socio-professional support for high-performance athletes is considered an asset.
- Excellent knowledge of the Luxembourg sporting ecosystem.
- Fluency in English and French or German is required; Luxembourgish is an advantage.
- Flexibility, excellent communication skills, and the ability to work in a multidisciplinary high-performance environment.
- Ability to work independently and as part of a team.

Interested candidates are invited to send their applications with CV, cover letter and copies of certificates and diplomas by 2 March 2026 to:

Luxembourg Institute for High Performance in Sports
