Own The Podium

History

- When the 2010 Olympic Winter Games were awarded by the IOC to Vancouver in the summer of 2003, the winter sport organizations and the sport funding partners (VANOC, Sport Canada, CPC and COC) developed a national plan which included the goal of 'owning the podium'.

Own The Podium

A Unique Organization

- \$110 Million over 5 years to augment funding for 'excellence'.
- All Partners have agreed on specific performance goals.
- OTP 2010 new programming including; Research & Innovation, Recruitment, and Performance Enhancement Teams (PET) to assist each sport.

Own the Podium

A Unique Leadership Model

- All Funding, Sport and Performance Partners will coordinate their roles, policies, funding and programs **via OTP 2010** to create a more focused and effective approach.
- OTP 2010 is a **partnership**, including a sharing of human resources from various organizations, so as not to duplicate or create unnecessary administration.

Own the Podium

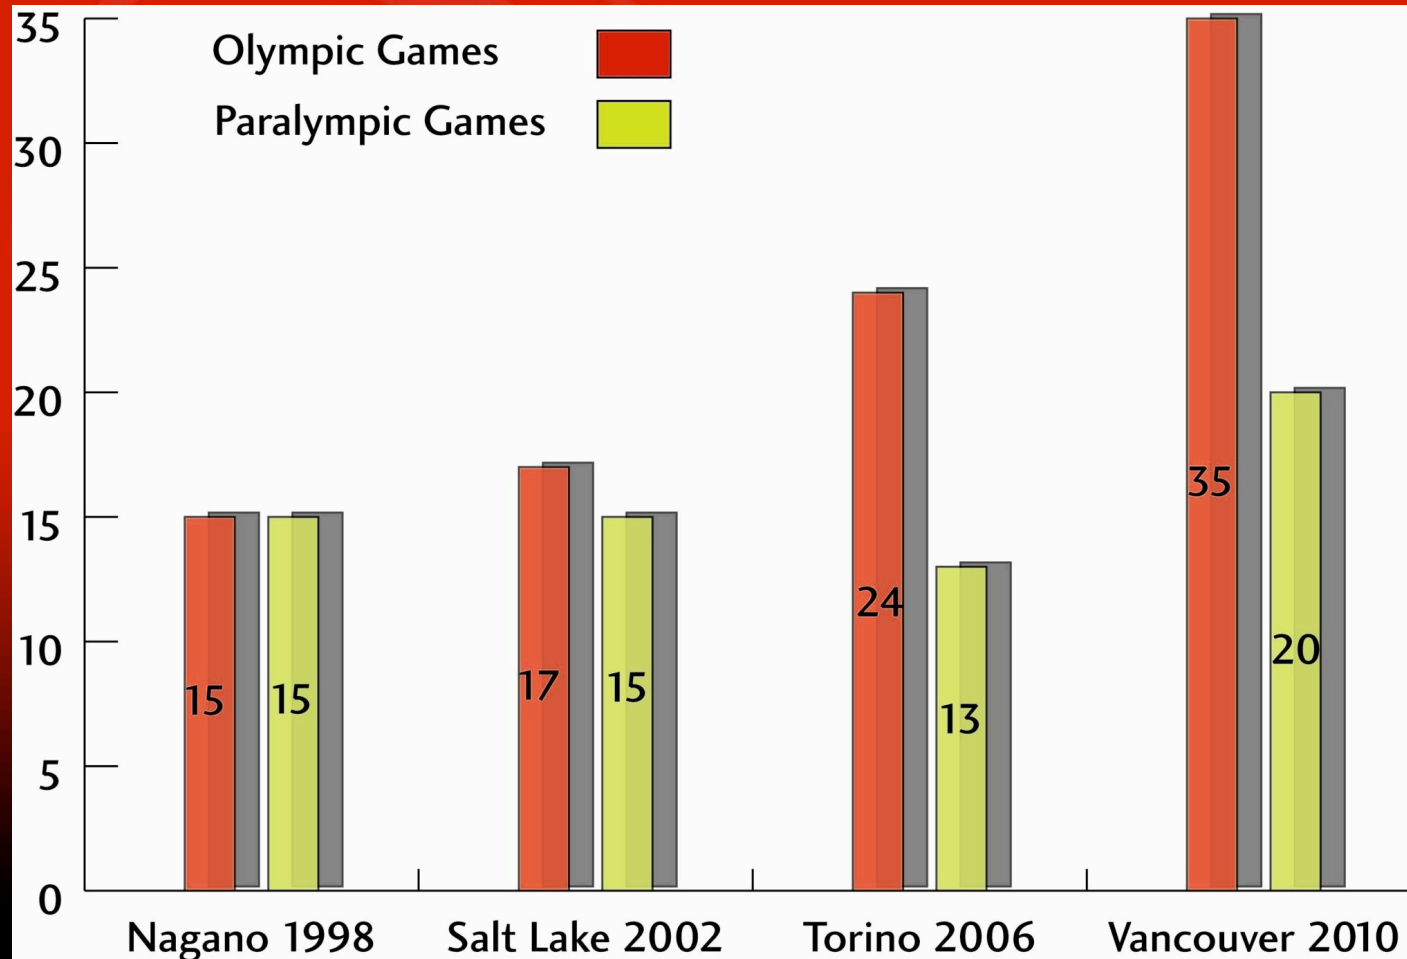

GOALS: **Finish First at Olympics** **Top 3 at Paralympics**

- Assist athletes to win medals
- Assist VANOC to stage successful Games
- Develop CDN sport system, long-term

Our Challenge

MEDALS AT THE OLYMPIC & PARALYMPIC WINTER GAMES

Own the Podium

Targeted Approach

- OTP targets athletes and their support systems to win medals
- OTP funding is an 'enhancement' to a sports other 'core' financial support
- Some sports may receive little or no funding from OTP, depending on the number of medalist potential athletes
- However, all sports will be able to field full teams in 2010 as per IF regulations.

OTP Technical Readiness

- Establish Advisors to assist NSOs
- Establish 2007-2010 detailed technical plans
- Improve implementation of technical plans
- Strengthen technical leadership – coaches, HPDs
- Improve & consolidate PET service & policies
- Enhanced video & technical support
- Improved data analysis

OTP Organizational Readiness

- Strengthen NSO leadership & program delivery
- Assist NSO planning & implementation
- Evaluate NSO needs, and resolve issues
- Develop financial sustainability plan post-2010
