NOMINATION FOR BOARD OF DIRECTORS MEMBERS

Please explain your proposal hereby:

As I have been involved with this association for many years and currently serve as the Vice President for America I would like to continue my role and see this group help and support other training sites around the world.

EXPLANATION ON THE PROPOSAL TO CARRY OUT THE ROLE:

The key focus for me will be the continued outreach and support of High Performance Centers in Central and South America. We will do this by working hard to encourage exchange programs. During my time with this association I have been involved with creating these programs with Spain and South Africa. I will continue to work with my friends in Canada to help in this matter to provide a wide vision for performance Centres and how they can better serve athletes.
