## NOMINATION FOR BOARD OF DIRECTORS MEMBERS

Please explain your proposal hereby:

### EXPLANATION ON THE PROPOSAL TO CARRY OUT THE ROLE:

I remain committed to the ASPC as I see the tremendous value the ASPC can offer to members and the enormous potential of the ASPC to develop and advance high performance sport globally.

I recognize that our membership is diverse and we have different business models (government, private, and hybrid) but we are all in the sport performance business. How can the ASPC make each of us better as individual sport leaders and as high performance centres?

I will work diligently to strengthen our Association. At this stage of our development, I believe we need to be more internally focused – looking for sharing, development and networking opportunities that assist our members, before we devote too much time and energy to external relationships. I support the core values and guiding principles of the ASPC and remain committed to ensuring we offer ideas and share knowledge on leadership and management in a high performance sport environment. Additionally, we need to streamline our Association so the Board deals with operational and bureaucratic issues, not the membership.
