MIKE'S MESSAGE

Fellow ASPC members,

Having just returned from our ASPC Annual Meeting at CAR in Sant Cugat, Spain, I continue to feel positive about our accomplishments so far in 2012. Our financial budget is the highest ever on record. We have started to support our first ASPC exchange programs and many of our continents will host individual continental forums later this year.

Together we are improving the value-add to you, our members. This is what I told you in Paris and this is what I will continue to work toward through our next International Forum on Elite Sport in Rio de Janeiro in 2013.

Please know that as members we encourage for you to use the ASPC logo in conjunction with your Center's information. You can find the ASPC logo on our website (click on "Association" from the main page, the link to a PDF file with the logo will be at the bottom). Add the logo to your business card, help us promote our partnership together.

I look forward to seeing everyone soon at our next exciting Forum in Rio. I wish you and your Center's athletes and coaches all the best during the Games in London.

Sincerely,
Mike English
President, ASPC
