**Day 2**

**Forum A: Elite sport athletes' education and career:** Is the « dual project » still relevant today? How does it work?

9:00-10:30: 3 issues presented by a sport federation manager:

- Constraints of sport performance (volume and training hours, professional trainings, competitions frequency, national and international levels...): C. VICENS, Tennis coach, CAR Sant Cugat, Spain
- Elite athletes' professionalization (earnings, relations with the media, role of sports agents, cultural aspects, elite athletes and pension rights,...). A. PAANANEN, High Performance Director, Finnish Volleyball Federation
- Athletes' full availability to prepare the Olympics (1 or even 2 years before the Olympics Games): interests? Risks? Implementation terms? A. JOYNER, Olympic champion of triple-jump in 1984 and coach

Answers from 4 Elite Sport Centers

Discussions

10:30-11:00: Coffee break

11:00-11:15: Precisions (reports, conclusions) given by an European study on the « dual project » (sport and studies) of young elite athletes across Europe (J. DREYFUS/M. ITEMAN, INSEP, A2B report)

11:15-11:30: Future actions of the European commission (B. OOIJEN, Policy Officer Sport Unit, Directorate-General Education and culture)

11:30-12:15: Round tables with athletes, coaches and training centers managers: « Should we –and if yes, why and how– welcome athletes in Elite Sport Centers for more than one Olympiad? (Life project, personal development, health issues, motivation, challenge...). (A. TARRES: Spanish synchro team, Head Coach – French archery team: M. DELLENBACH, Head Coach & S. FLUTE, 1992 Olympic champion – US Track & Field: A. JOYNER Olympic champion of triple-jump in 1984 and coach)

12:15-14:00: Lunch

## **Forum B: Management and Leadership**

14:00-14:20: Opening Conference to the two topics (D. HENWOOD, Chief Executive Officer of the Canadian Sport Center Calgary)

14:30-15:45: Group Discussions 2 ROOMS
